PRODUCT CATALOG

Above. Beyond. Always.

The StepAbove® family of products offers a simple, secure and safe way to enter and exit your trailer. A growing line of steps have been designed to fit the requirements of your RV.

WHICH STEP IS RIGHT FOR YOUR RV?

STEPABOVE®

The StepAbove RV entry step system gives you more stability, security and safety as you enter and exit your RV. Ideal for most travel trailers and 5th wheels.

FLIP TREAD

These steps are ideal for normal entry doors as well as floor plans with interior steps that protrude into the doorway.

Have a Toyhauler? This step gives you maximum storage space so you have plenty of room for all of your toys!

STRUT ASSIST

Easily operate your StepAbove step system for your trailer or 5th wheel with our innovative strut assist. The zero gravity step you can lift with a finger.

PATIO

The ground stable patio steps offer added stability and safety as you enter and exit your rear or side patio.

QUICK CONNECT

The clip-on step that attaches to the outside of your unit. The choice when a StepAbove doesn't work with your unit.

AIRSTREAM®

Give yourself sure footing into and out of your Airstream® with a StepAbove RV step system.

STILL UNSURE ABOUT WHICH STEP IS RIGHT FOR YOU?

Give us a call at 574.293.1581 or email parts@morryde.com for more information.

STEPABOVE®

Upgrade your trailer or 5th wheel with our innovative StepAbove step system to give you bounce-free, wobble-free stability. With adjustable feet (no dealing with annoying pins) you get a level step every time – even rough terrain is no problem for your StepAbove. Easily store and lock your StepAbove into your door entrance.

FEATURES

- Lightweight
- Stable entry when entering and exiting your RV
- Wide top step for better footing
- Quick-release leg adjustment
- Gradual step slope for easier usage
- Easy removal in tight spaces

BEFORE YOU ORDER —
Review the **Pre-Installation Instructions** to determine the correct Quick Connect Step for your unit.

FLIP TREAD STEP

These sleek steps offer the same stability as our standard StepAbove. To ensure your unit stays clean, the treads of this step easily flip up to remove dust and dirt before they fold up into your doorway. Flip Tread Steps are ideal for normal entry doors as well as floor plans with interior steps that protrude into the doorway.

- FEATURES

 - Lightweight pull-down design
 - Durable construction
 - Secure storage inside door entrance
 - Adjustable feet
 - Industry-leading 400 lb weight capacity
 - Collapsible treads allow for easy cleaning

FLIP TREAD STEP FIT CHART

	PART NUMBER*	STEP HEIGHT	STEP RISE	DOOR WIDTH Size from Factory Label	—OR—	DOOR WIDTH Size from Flange to Flange
3 STEP	STP-217	30" – 37.5"	9"	26" – 30"		23.75" – 28.25"

If your GVWR is not listed, please contact your local dealer for special order information.

To order a pin box system, please identify the following:

- Model Number of the stock pin box (usually found on a label on the pin box)
- GVWR* of the trailer: MORryde has a specific rubber spring for different weight ratings

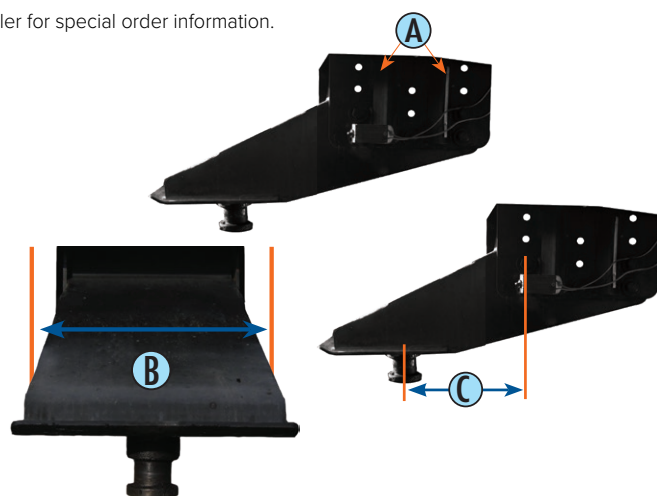

OR

If the stock part number is not available:

- Determine the bolt pattern (A),
- Measure the width (B)
- Measure the distance from center of king pin to center of first row of bolts (C)
- Scan the QR code to convert these measurements into a MORryde part number.

ID GUIDE

CORD KEEPER

Easily stores your 7-way power cord

FEATURES

- Great for travel trailers and 5th wheels
- Safe, secure cord storage
- Stores outside the Pin Box to keep cord off the ground
- Helps prevent wire cuts and fraying
- Strong magnetic application

SP56-463

EXTENSION CORD KEEPER

FEATURES

- Efficient storage solution for your extension cord
- Unobtrusive mount saves space in your baggage compartment
- Stores up to 50' of an extension cord or ethernet/coaxial cable
- Docking plate and hardware included

SP56-658

→ You can even store your cable cord!

SUSPENSION SYSTEMS

Sm

CRE3000

Designed for towing improvement over the standard stock equalizer.

FEATURES

- Provides 3" of suspension travel
- Smoother towing than conventional leaf springs
- Protects from damaging road shock
- Unique travel slot for increased wheel travel
- Easy bolt-on installation
- 2 year warranty
- Utilizes rubber to cushion shock

Smooth Out ROUGH ROADS

INDEPENDENT SUSPENSION

The independent design of the MORryde I.S. system allows each wheel to respond individually to the road. That means your unit glides easily over uneven and rough roads to give you the comfortable ride you deserve.

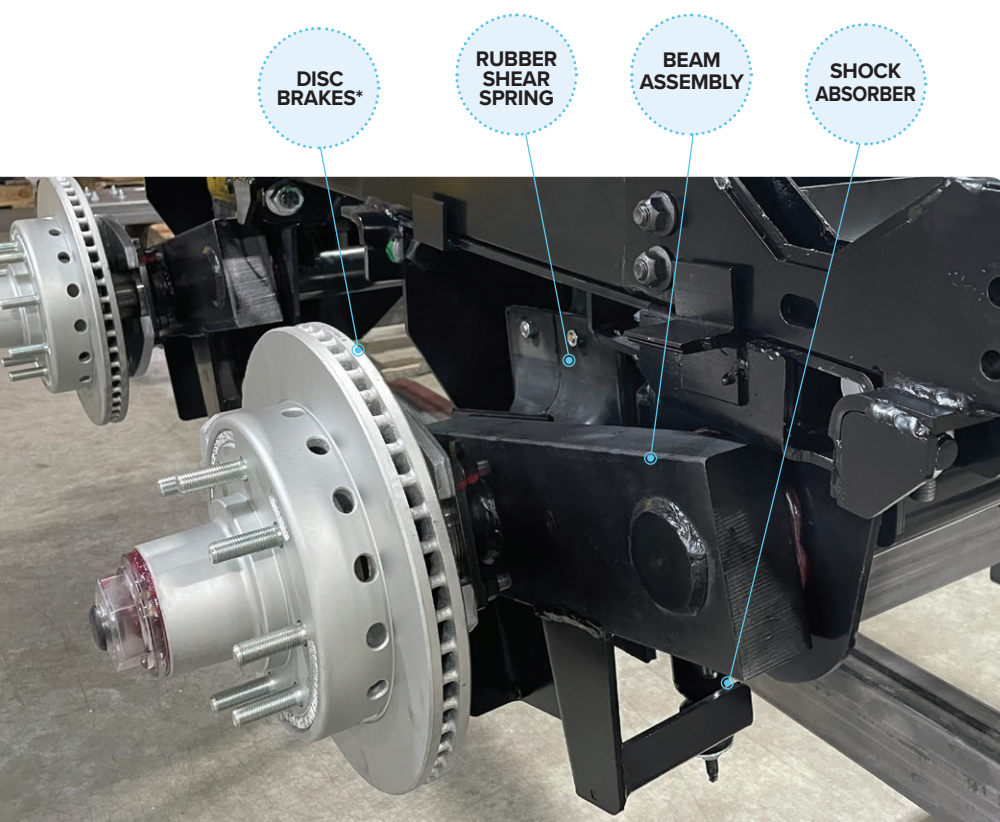

FEATURES

- Provides up to 5.5" of suspension travel
- Much smoother towing than conventional leaf springs
- Better protection of the trailer from rough roads
- Far more durable than leaf spring suspension systems
- 5-year warranty

This 8" long U-bolt kit is intended to be used with 3" diameter trailer axles and includes nuts and washers to securely fasten.

- Kit includes (4) U-bolts, (8) washers, and (8) nuts
- Fits 3" diameter axles
- U-bolts are Grade 5, 8" long and 1/2" thick
- 1-year limited warranty

UO12-018

EASY [STABILIZING] SOLUTIONS

X marks the spot for the simplest, most effective stabilizer. MORryde's X-Brace, a collaboration with Winfield Products, installs easily and provides rock-solid lateral support, keeping your trailer stable in any condition.

I-BEAM STABILIZER

for any RV with a standard I-beam

- Exceptional stability against unwanted movement
- Features two legs and a ratchet strap
- No drilling required
- Adjustable legs provide a wide range of height settings
- Slides onto any exposed I-Beam
- Ratchet strap provides tension to enhance side-to-side stability

SP54-253

5TH WHEEL STABILIZER

for Front Cross Braces on 5th Wheels

- X-Brace design ensures top stability
- Installs in minutes, faster than competitors
- Turnbuckle allows quick adjustments
- Distributes weight for a stable setup
- No drilling needed

SP54-180

SCISSOR JACK STABILIZER

for Travel Trailers

- Delivers exceptional stability
- Stabilizer jacks lift vertically with minimal lateral support
- Installs on existing jacks to lock in stability
- Tightens and adjusts with a tensioning tool
- Ideal for front/rear travel trailers with scissor jacks
- Fits rear 5th wheel scissor jacks
- No drilling needed

SP54-181

HITCH MOUNT STABILIZER

fits any 2" Hitch Receiver

- Fits 5th wheels, Class C, Class A motorhomes, and truck campers with a 2" hitch
- Stabilizes against unwanted movement
- Simple, no-drill installation

SP54-182

Easily installs in minutes | Exceptional stability | Easy adjustments | Stable camping experience

TV MOUNTS

MADE IN THE USA

CEILING MOUNTS

Drop Down

The Drop Down Ceiling Mount saves space and allows you to keep your TV out of the way until it is needed. The friction pivot lowers the TV slowly and allows you to position it at many viewing angles. This mount is perfect for storing your TV in tight spaces.

- Swings down from ceiling
- Friction pivot allows for a variety of viewing angles
- Up to 24" TV
- VESA: 75 x 75, 100 x 100, 100 x 200, 200 x 200

35lb

DIMENSIONS:

8.6" w x 14.77" h x 5.58" d
(in down position)

TV1-080H

Flip Down

This mount is excellent for under-cabinet installation or reinforced ceilings. Flip down while viewing and flip up to store it out of the way.

- Swings up & out of the way
- Locks in for safe travel
- Swivel & tilt
- Up to 24" TV
- 100 x 100 VESA

25lb

DIMENSIONS:

6.5" w x 12.8" h x 8" d
(in down position)

TV56-010H

Slide-Out & Flip Down

This mount attaches to a horizontal surface or ceiling, most commonly inside a basement cargo bay. It can then slide out of the compartment, flip down, and swivel.

- Ideal for baggage compartments
- Slides out 17"
- Swivel & Tilt
- 200 x 200 VESA

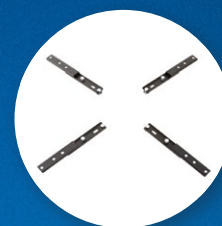

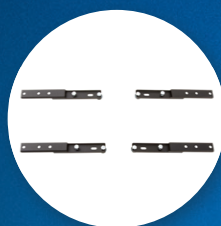

35lb

DIMENSIONS:

8" w x 7.5" h x 21" d (min)
38" d (max)
