

# SUSPENSION SYSTEMS

Above. Beyond. Always.

RAM ProMaster

Ford Transit Cutaway

**BECAUSE YOUR  
BUS DOESN'T  
HAVE TO RIDE  
LIKE A TRUCK!**

## Better protection for your bus, smoother ride for your passengers

- Smoother, more comfortable ride for your passengers.
- Rubber spring provides better protection from damage caused by today's rough roadways.
- Bolt-on application allows for easy installation onto existing buses.
- Works in conjunction with existing leaf springs.
- Available as a factory-installed feature from most commercial bus manufacturers.
- Easy to inspect and maintain with a 3 year, 70,000 mile warranty.

**BRSC** available for the **RAM ProMaster**  
and **Ford Transit Cutaway\***

\* Not available in the Ford Transit van
