SAGGING TAILGATE? WE HAVE THE SOLUTION

JL HEAVY-DUTY TAILGATE HINGES

JP54-057

- Stronger than factory hinges
- Mounting points for accessories such as Hi-Lift Jack or Rotopax
- Rebuildable
- Reduces tailgate rattle and sag

JL TAILGATE REINFORCEMENT

JP54-077

- Retains the factory look of the Jeep
- Eliminates weak points in the factory tailgate and hinge system
- Compatible with the MORryde HD Spare Tire Carrier (JP54-078) and HD Tailgate Hinges (JP54-057)
- Compatible with the factory bumper or aftermarket bumpers

JL SPARE TIRE CARRIER

JP54-078

- Two mounting positions available
- Works for most spare tires up to 40"
- Includes an adjustable mount that uses the factory third brake light
- Required to be installed with the HD Tailgate Reinforcement (JP54-077) and HD Tailgate Hinges (JP54-057)

JP54-082

JL FULL TAILGATE KIT

KIT INCLUDES:

- HD Tailgate Hinges (JP54-057)
- Tailgate Reinforcement (JP54-077)
- Spare Tire Carrier (JP54-078)
