This Warranty is specifically limited to the original end user purchaser who purchases the product on or in which the Component is installed. Except where prohibited by state law, this Warranty is not transferable or assignable to a subsequent purchaser. Warranty starts on date of odometer reading as of the date of retail sale.

MORryde International, Inc.’s liability hereunder is limited to the original purchase price of the Component. The limited liability includes replacement of the Component, repair of the Component, or replacement of the Component with a reconditioned Component, at the discretion of MORryde International, Inc.

This Warranty does not cover customer modification or installation. In manufacturing and distributing Components, MORryde International Inc. relies upon its customers to order Components of sufficient size, dimension, strength, and durability for the use intended by its customers and end user consumer. As a result, MORryde International, Inc. does not expressly warrant to customers or end user consumers Components to be fit for a specific or particular purpose. Claims for damage or injury from defect in or failure of a component which is a part of the suspension system not manufactured by MORryde are not covered and those claims should be directed to the component manufacturer (e.g. axles, brakes, bearings, etc.).

B. Exclusions:
