What type of Pin Box do you have?

A. After locating the label, locate the model/part number. Example: Lippert Rhino.

Part Number: _____

Reference model/part number along with GVWR to determine your pin box above.

B. If a manufacturer's label cannot be located, get the last six digits of the coach serial number, call the coach manufacturer, and ask them what make and model pin box was installed on your coach.

C. If you are unsuccessful in acquiring the information above, get the following measurements and a MORryde representative will help in determining which pin box you will need.

Pin Box Measurements

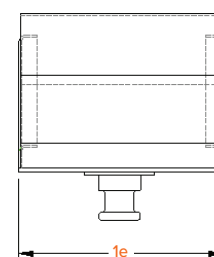

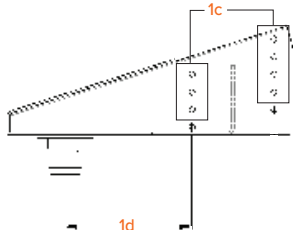

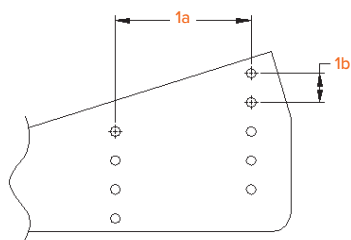

_____ **1a.** Horizontal distance between the rows of bolts. Measure from the hole center to hole center.

_____ **1b.** Vertical distance from hole center to hole center.

_____ **1c.** Number of bolts per side.

_____ **1d.** Measure from center of the front row of bolts to centerline of the king pin.

_____ **1e.** Measure the overall width of the pin box.
