

TRAILER BRAKE DISCONNECT MESSAGE

If your tow vehicle displays a **Trailer Brake Disconnect** message, check your manufacturer for any recalls or updates to the braking system. If there are no recalls and all systems are up to date, a CAM adapter may be necessary. Use the guide below to determine which CAM adapter is compatible with your truck.

If your tow vehicle displays a
Trailer Brake Disconnect message, use:

HYDRASTAR CAM

MORryde Part Number
UO138-067

CAM Part Number
HBA-CAM 381-7073

**GMC**

If your tow vehicle displays a
Trailer Brake Disconnect message, use:

DEXTER CAM

MORryde Part Number
UO138-071

CAM Part Number
K58-036-00
